

DECLARATION OF REACH and RoHS COMPLIANCE

REACH Compliance Statement

Our products are build up out several materials. The company policy is to use only materials and processes which comply with the Reach Regulation and the ROHS Requirements. According to the Reach Regulation Thomas Regout International B.V. is a down-stream user. As such, we have asked our suppliers to deliver us products according to the Reach Regulation and 'if necessary' to pre-registrate these products.

We have asked our suppliers, when they, or their suppliers, don't pre-registrate to inform us and to offer a replacement for that product according to the Reach Regulation. During several years the substances, which are prohibited by the ROHS requirements, are not used in our products. Our products fulfill the ROHS requirements for the substances:
